GREAT COFFEE. GREATER PURPOSE.

MISSION:

Empowering adults with disabilities to live with greater purpose and achieve their individual best in a thriving environment.

A NEW KIND OF COFFEE SHOP

Coming to Lake Geneva, WI – Spring 2020

The Need - Walworth County

- Over **6,300 residents** have developmental or physical disabilities.
- There are **limited transition services** and training for people with special needs.
- At age 21 **state services** and opportunities can be more challenging to access.
- There are **16 high schools** and **4 area colleges** and technical schools which graduate an estimated **200+ students** annually with developmental and physical disabilities.

The Reality

- **45% of adults with special needs** don't pursue post-secondary training or education.
- **30%** are either **underemployed or unemployed.**
- Recent trends include the **integration of people with disabilities into the broader society**, improving access to community, employment and services.
- **Employing people with special needs** is on the rise as they represent a viable and reliable labor force.

The Plan

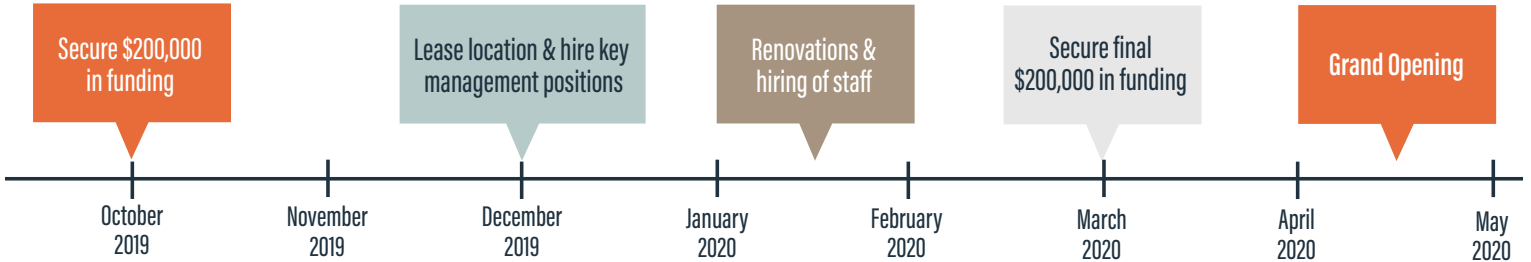

Inspired Coffee is a premium coffee shop, a neighborhood place, located in downtown Lake Geneva, employing up to 20-30 individuals with mild to moderate developmental and physical disabilities where they will be celebrated, job trained, coached and, over time, placed into a fully integrated work setting.

Planning Timeline

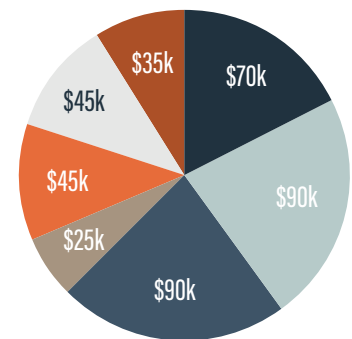

"I cannot wait for the Inspired coffee shop to open. As a parent of a 21 year old with Down Syndrome I've been praying for a place like this in our community. Somewhere my son and others just as special as him will be welcomed, be able to work, and find community."
